puretap.ca/shop/bulk-water/water-drum/

KEY FEATURES

- Will not rust, dent, or peel
- Lighter than steel drums, easier to position
- Extra-large molded chime for handling
- Molded-in sump wells for pump use
- Fully drainable top design
- Sidewall rolling hoops for movement
- Can be cleaned and reconditioned
- Compatible with standard 2" NPT drum pumps

AVAILABLE FILL OPTIONS

Distilled | Spring | Demineralized | Deionized

Add a drum fill to your order or arrange at pickup. Distilled water recommended for long-term home emergency storage.

EMERGENCY SUPPLY COVERAGE (4 L/PERSON/DAY)

Household	1 Drum	2 Drums
2 people	26 days	52 days
4 people	13 days	26 days
6 people	8.75 days	17.5 days

Based on Government of Canada recommended minimum for drinking, cooking and hygiene.

STORAGE TIP

Keep the drum out of direct sunlight. UV exposure degrades the plastic over time and can warm the water, encouraging bacterial growth. A basement, garage, or shaded area is ideal.

PICKUP AND DELIVERY

Pickup available at 950 Verbena Road, Mississauga. GTA delivery available to Brampton, Oakville, Mississauga, Caledon and surrounding areas. Standard delivery is curbside. Contact us for inside-garage or property placement. Delivery fee quoted by address.
